---

The purpose of this course is to teach Scouters how to become a BB Gun Range commander. It is a safety course for adults who are interested in working with Cubs and Webelos. This four hour course is designed to teach you about air guns, what types of projectiles to use, safety, the fundamentals of shooting, and how to set up and safely run a BB gun range for any Cub Scout event for your den, pack, district, or Circle Ten Council.

This course is required for anyone who plans to run BB Gun shooting activities at Day Camp, Twilight Camp. For more information, contact Craig Williams at 903-815-7950; [email-craig@cjknives.com](mailto:email-craig@cjknives.com).

Please pre-register so that there will be enough material for all participants.
