December has no scheduled dates, call Walt Sherman before 12/1/07 for special cases.

REMEMBER: ALL Eagle projects MUST be approved by the District Advancement Committee before they are started. The workbook should be in an envelope or notebook marked Eagle Scout Project and taken to the Scoutfitter (please include the council worksheet partially completed). The project committee will meet the same date as the Review Board. The Scout will receive a call after it has been approved and he may pick the packet up and get started. After the project has been completed and the application has been filled out, the packet needs to be taken to the Scoutfitter by the first date shown above if the Board of Review is to be held that month. If received after the first date, the Board of Review will be held the next month, if appointment is confirmed.

The Eagle Scout Candidate should confirm appointment one week before the scheduled Board of Review. The Scout will be given the location when the appointment is confirmed. The Scout should arrive at 6:00 pm in full class A uniform.

Please contact Walt Sherman at 903-893-5108 (H) or 903-813-2553 (W) for any advancement questions or to confirm appointment.
