

Be Prepared—for CAMPI NG!

Texoma Valley, let's get OUT!

Sharing adventures in the great outdoors is what Scouting is all about, and your district camping promotions friends are ready to encourage you to “keep the outing in Scouting” and take your unit's program to the next level.

Our Cub Scouts, Boy Scouts, and Venturers deserve the best, most exciting program we can deliver. We, as leaders and parents, deserve to have fun while we are delivering the program, too!

Please use us as your support team for camping and outdoor activities. Do you have questions about camping and outdoor activities for your Scouts? About BSA camping facilities and policies? What about leader training for outdoor adventures?

Camping is FUN!
