

Dear Texoma Valley Scouters,

Congratulations on another fantastic year of Scouting in Texoma Valley. Over the past year you have given your time and talents to support your Pack, Troop, Crew or Ship as well as Tiger Day, Scouting for Food, Pinewood Derby, Cub Family Campout, the Spring Camporee, Twilight Camp, Popcorn, or the Friends of Scouting. I can't tell you enough how much I appreciate your service to this great youth organization.

You know first-hand the purpose and value of Scouting: to build the character and integrity of America's youth and prepare them to become responsible adults. I believe that now, more than ever, America's youth need Scouting's tradition. Our youth have an ever increasing demand on their time. It is up to us to spread the scouting message, to make our programs appealing while delivering the core content, and to work diligently to recruit not only youth, but adults into the scouting program.

As we prepare for this next program year, let's be ambassadors for Scouting. Let's remind others that Scouting is very much alive, well and growing in Texoma Valley.

Last year was great. Let's make Scouting even greater this year.

Thank you,

John Boswell
District Chairman
